## Sprint race – qualification

Position at start

### ICR 315.2.3

The competitor must have his feet behind the start line. The poles must be placed in front of the starting line and/or starting gate.

## Sprint race - finals

*Heat start procedure extract:*

### 315.5.3

Competitors are organised on the pre-start line where instructions are given and start lanes designated. The starter will give the command “take your start positions” and the competitors advance to the start line where they must place their poles behind the start line and/or start gates. When all competitors are at the start line, the starter will give the command “Set” and all the competitors must remain motionless until the starter gives the start signal.

Jury directive: in order to facilitate the motionless phase, **when the starter will give the command “Set” both rollerskis and poles must be steady on the ground until the start signal**

## Sprint race - finals

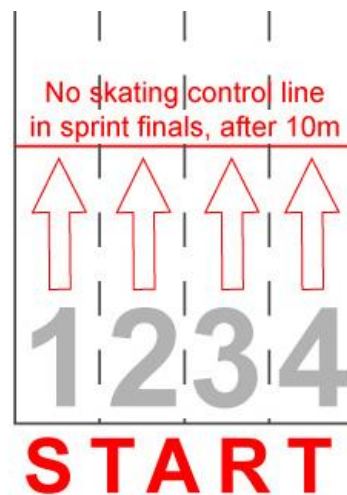

### 325.4.2.9

Any competitor who causes a False Start will be sanctioned by a written reprimand. Following the first False Start in a heat, any competitor who causes a subsequent False Start in the same heat will be required to withdraw from the competition. The competitor will be ranked as the last position of the applicable final, semi-finals or quarter finals heat (rank 6, 12, 30 or 4, 8, 16).

## Sprint race - finals

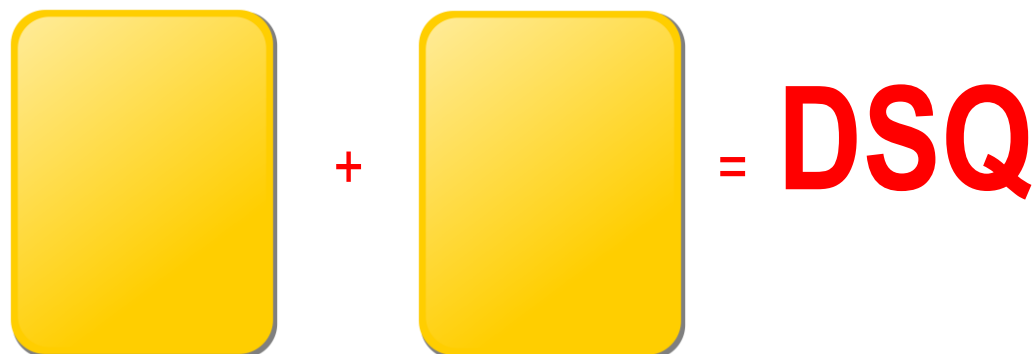

Jury directive: first 10 meters after the start (start zone)

skating won't be allowed.

## Written reprimanded

Up to this date (19.07.2018.) none of entered athletes has written reprimand
