Decisions of the Appeals Commission regarding the FIS Rollerski World Cup Trollhättan, Sweden

Following the FIS Rollerski World Cup competition held in Trollhättan (SWE), the Cross-Country Appeals Commission has dealt with the appeal submitted by the FIS Nordic Office concerning race 0328.

The Appeals Commission has decided to uphold the appeal and disqualify 19 athletes for failure to follow the marked course in the correct sequence and to pass all designated control points, as required under ICR 343.6.

The athletes originally received a Rank Penalty sanction, however, such penalty can only substitute a disqualification for obstruction and was therefore not applicable in this case.

The [results](#) have been amended accordingly.
