# INFORMATION FROM FIS TD

## Classic rollerski technique (ICR 310.2.2 )

Classical technique includes the diagonal techniques, the double poling techniques and turning techniques.

Turning techniques comprise steps with the inner ski and pushes with the outer ski in order to change skiing direction.

Turning technique with pushes is only allowed in marked zones, or when overtaking other competitors. Single or double skating is not allowed.

**Sanctions for the violation of the classical technique rules can be given by a unanimous decision of two jury members (including TD) without video evidence and a hearing from the athlete. For classical technique violations ICR 224.7 does not apply.**

## Rollerski equipment (ICR 396.2)

1. Don't fix or repair given rollerskis!
2. Rollerski repair during official training or before competition may be done only at the official service point provided by the organizer

Written reprimand for a False Start (ICR 325.4.2.9):

3395048 OJASTE Triin (EST)

3780034 DRUSYS Jaunius (LTU)
